Extension 9020

Order Code	Product	Feature	Compatible to
0871	Desk/Wall Mount 0871	Desk/Wall Mount for 19-inch devices	all 19 inch devices
0872	Cable Holder 0872	Cable holder with 13 fixation bridges for cable attachment on rear side of device	all 19 inch devices with rear outlets (except EPC 8291-1, 8031-3, 8031-4 and 8035-3)
0873	19 inch Rack Mount 0873	Rack mount for two devices in 1 RU	Expert Power Control 1141-1
0860	DIN Rail Mounting Clip 0860	Plastic clip for DIN rail installations, 2 fixation screws	Expert Net Control 2111, Expert Sensor Box 7213, 7214
0861	IEC Lock Clip 0861	Plastic clip for securing of IEC C13 cable connections	all devices with IEC C13 outlets
7920	Front Labels 7920	Two colour front labels for identifying 19-inch devices	all 19 inch devices
0803	IEC Extension Cable 0803	Extension cable for IEC C13 to C14, length 1.8 m	all devices with IEC C13 outlets
0804	IEC Extension Cable 0804	Extension cable for IEC C13 to C14, length 3 m	all devices with IEC C13 outlets
0814	IEC Extension Cable 0814	Extension cable for IEC C19 to C20, length 1.8 m	all devices with IEC C19 outlets
9020	GUDE Care +1, +2, +3	Warranty extension for 1, 2 or 3 years	for all products available

Various Accessories

Smoke Detector 7311

Thermal Fire Detector 7312

Leakage Point Sensor 7313

Combined Signaling Device 7940

Door Contact Sensor 7950

Jack Plug Adapter 7960

BNC Extension Cable 0134

DCF77 Antenna 0220

Order Code	Product	Feature	Compatible to
7311	Optical Smoke Detector 7311	Overhead installation (d=100 mm), screw terminal NO or NC	Expert Net Control 2111, 2302, 2304 Expert Sensor Box 7214, Sensors 7207, 7209, 7210
7312	Thermal Smoke Detector 7312	Overhead installation (d=100 mm), screw terminal NO or NC	as for 7311
7313	Leakage Point Sensor 7313	13 mm two-tined, detects flooding, operation by 12 V, 4-core cable, length: 2.5 m	as for 7311
7940	Combined Signaling Device 7940	Optical and acoustic alarm device, 100 dB sound pressure, 3-core connection cable, length: 0.4 m	Expert Net Control 2111, 2302, 2304 Expert Sensor Box 7214, Sensors 7207, 7209, 7210
7950	Door Contact Sensor 7950	Door contact sensor for access monitoring	Expert Net Control 2111, 2302, 2304 Expert Sensor Box 7214, Sensors 7207, 7209, 7210
7960	Jack Plug Adapter 7960	Adapter for connecting an external switch	Expert Power Sequencer 8112
0134	BNC Extension Cable 0134	Cable length 10, 20, 30, 50 or 100 m	DCF77 Antenna 0220
0220	DCF77 Antenna 0220	Active ferrite rod antenna with BNC plug, cable length: 5 m (extendable up to 100 m)	EMC Professional 3001, 3011
